A design-focused furniture dealership, SOS provides solutions to optimize space and inspire those within it. Our methodology is rooted in elevating the experience of furnishing space and enhancing the environments we create.

# OUR METHOD

At SOS, we take a consultative and collaborative approach to achieve the goals of each unique project. We act as an extension of our clients' team, adapting preferred methods of communication and workflow.

Through establishing a deep understanding of business drivers and developing a centric strategy, we deliver space that embodies its highest ethos and purpose.

Providing measurable return on investment, we offer solutions that meet current needs and adapt to future changes.

AGILE AND CREATIVE, OUR  
TEAM IS WELL VERSED IN  
SUPPORTING THE DYNAMIC  
REQUIREMENTS FOR ANY  
HEALTHCARE FACILITY.

At SOS, we understand that new technologies and demands are constantly emerging in the healthcare and medical workplace. Providing dynamic patient care environments, amenity areas, and workspace is central to the success of evaluation, treatment, and future innovation.

## Trends

THE LATEST, CUTTING EDGE SPACES FOCUS ON HOSPITALITY AND FLEXIBLE DESIGN.

**THE IMPORTANCE OF AN INVITING, STERILE EXAMINATION SPACE IS PARAMOUNT. CREATING AN ENVIRONMENT THAT BALANCES HYGIENE & WELL-BEING REQUIRES EXPERTISE.**

An effective examination relies on specialized storage and organization tools, integrated with antimicrobial, comfortable furniture.

# TREAT

## KEY ELEMENTS:

- LIGHTING, ART, BIOPHILIC DÉCOR
- CONVERTIBLE LOUNGE PIECES
- MULTIPURPOSE STORAGE
- TECHNOLOGY INTEGRATION

We specialize in creating treatment spaces that adhere to crucial safety and sanitation requirements, while holistically incorporating a residential atmosphere.

# CONNECT

INCORPORATING MULTI-USE, PRIVATE AREAS TO CONNECT WITH PATIENTS AND CO-WORKERS IS ESSENTIAL.

Our practice focuses on providing space that adapts to a variety of needs, accommodating important elements to optimize meetings. Key factors include acoustics, technology, and ease of use.

# CARE

We understand that care spaces are incredibly important to support a patients' recovery. We select furniture and equipment that holistically addresses these needs. Adaptable features to maximize the use and square footage is paramount.

# CONGREGATE

CAFETERIAS, PANTRIES, LARGE MEETING ROOMS, LOUNGES AND ASSEMBLY SPACES ARE ESSENTIAL TO ANY MEDICAL CAMPUS OR HEALTHCARE FACILITY.

Historically, these gathering spaces have felt institutional, stagnant, and uninspiring.

We have solutions that provide comfortable and inviting congregation space, supporting multipurpose flexibility- all while meeting health & safety standards.

# FOCUS

Developing the specifications of these important spaces includes:

- real estate factors
- visual and acoustic needs
- technology requirements

## WORKSPACE & LABORATORY AREAS

# GREET

Well organized reception and intake areas that can accommodate a varying amount of people have immense value to the success of a medical facility. We create spatially conscious, hospitable environments that can handle heavy traffic and use.

# ADAPTABLE DESIGN

IT IS ESSENTIAL THAT HEALTHCARE SPACE IS FLEXIBLE AND MODULAR.

With ever-changing, developing demands, the ratio of medical and administrative space is subject to change over time. Flexible design allows for spatial enhancements that adapt to changing needs.

# DURABLE PRODUCTS

---

HEALTHCARE FACILITIES INHERENTLY EXPERIENCE HIGH  
USE AND HAVE POTENTIALLY HAZARDOUS CONDITIONS.

---

We plan for the persistent use of furniture through our design development process, selecting the most durable materials, fabrics, and finishes. Working with reputable manufacturers, we ensure quality products with dependable warranties.
