HOSPITALITY PROJECTS

We understand the vast range of hospitality typologies and the even larger range of specialized needs for creating inviting, durable, and multifunctional spaces. Gyms, hotels, restaurants, cafes, rooftops, amenity spaces, conference centers, and wellness facilities all have requirements and goals unique to each.

The harmonious balance of a luxury residential feel combined with commercial functionality is paramount.

FOOD & BEVERAGE

ELEVATED AMBIENCE

Hospitality spaces have become more dynamic and experiential than ever. We create inviting & memorable experiences through enhancing ambience.

RESTAURANTS

CAFÉS & BARS

DURABLE PRODUCTS

Food & Beverage accommodations inherently face frequent use and have many high traffic areas.

We plan for the persistent utilization of furniture through our design development process, selecting the most durable materials, fabrics, and finishes.

AMENITY SPACES

ATTRACTING & RETAINING

We understand that attracting & retaining tenants, members, and guests relies on providing highly desired, relevant environments. Focusing on end user expectation is centric to our expertise in the hospitality sector. Ultimately, the impression of a hospitality space determines future success. The foundation of our process is to ensure the specifications supports how end users are accommodated.

DINING & LOUNGE

ADAPTABLE DESIGN

Creating convertible amenity & social space is paramount to optimal hospitality environments.

Our strategy incorporates flexibility, aesthetics, comfort, and durability. We accomplish this through:

- multi-purpose layouts
- modular furniture planning
- convertible space solutions
- design-conscious details

LOBBY & RECEPTION

INTEGRATING WELLNESS

From large, luxurious fitness & recreation facilities to small breakout wellness rooms, SOS has the resources to integrate these meaningful spaces at any scale. Offering these environments elevates brand identity while increasing health and well-being.

RECREATION & ENTERTAINMENT

DISCOUNT NEGOTIATION

Through cultivating strategic partners, SOS negotiates bundled discounts, supporting procurement from high-end, luxury brands at significantly lower prices.

Combined with our knowledge of specific lines from major manufacturers, SOS develops custom furniture packages, holistically achieving our clients' goals.

LODGING

EXTENSIVE RESOURCES

We provide furniture, architectural products, equipment, and décor from a variety of resources, including niche & specialty products.

Working closely with more than 200 manufacturers, we are constantly expanding the collections. One of the most unique and impactful aspects of our approach is how we artfully combine specific lines and pieces from each brand, maximizing our clients' budget and design intent.

PRODUCT MERCHANDISING

Our expertise in merchandising product from multiple sources is a key element to holistically achieving each specific project vision, on time + within budget.

SOS strategically selects pieces from a wide range of manufacturers to stay within budget without sacrificing quality or aesthetics. We have identified specialty manufacturers with quality products and high design, at a fraction of the cost in comparison to many of the wide-known brands.

MEETING

OPTIMAL PERFORMANCE

Meeting space requires an in-depth understanding of acoustics, technology, and ease of use.

Our approach to creating conference and social space is rooted in our proficiency of combining important workplace details with amenity-based features.

Optimal performance of these environments is achieved through design-driven, experience-focused, function-based solutions.

BOARDROOMS & CONFERENCE

MAXIMIZING INVESTMENT

Our team's extensive experience in New York City's famously high cost & densely constructed architecture has informed our mastery of creating high impact space.

Making the most efficient use of assets is key to the success of every hospitality environment.
