PROJECT MANAGEMENT

OUR METHOD

At SOS, we take a consultative and collaborative approach to achieve the goals of each unique project. We act as an extension of our clients' team, adapting preferred methods of communication and workflow.

Through establishing a deep understanding of business drivers and developing a centric strategy, we deliver space that embodies its highest ethos and purpose. Providing measurable return on investment, we offer solutions that meet current needs and adapt to future changes.

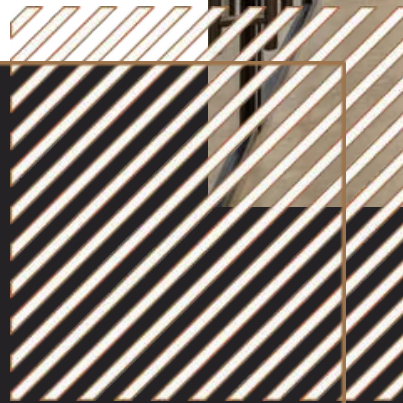

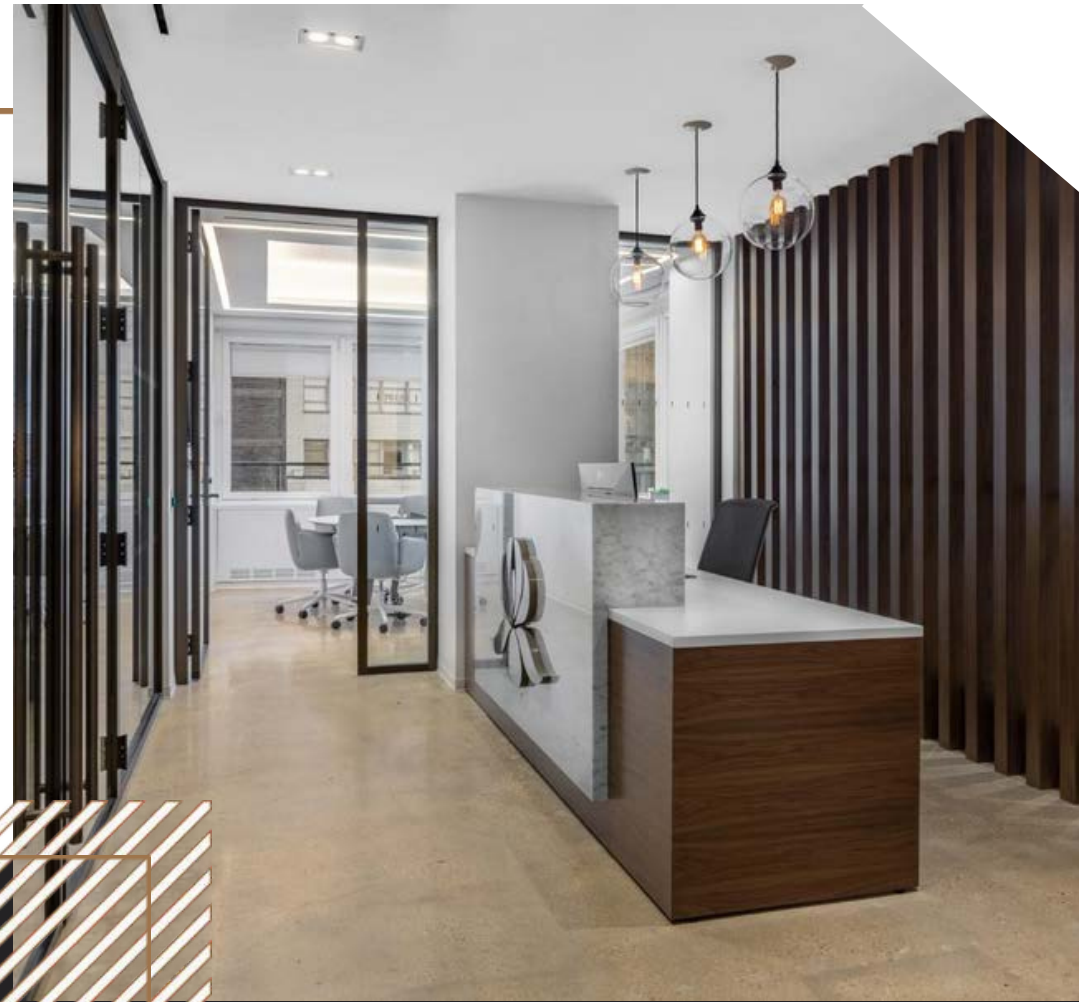

LAW FIRMS & LEGAL SERVICES

From the inception of our collective 100 years of experience, working with law firms and legal service organizations has been a foundation of our work.

We understand how the work and culture have rapidly changed in recent years. Legal service organizations must find a balance to meet new and competing demands.

Working with any budget, schedule, or complex requirements, our team is prepared to successfully create and maintain dynamic spaces for all legal workplace needs.

LEGAL SECTOR PROJECTS

Our focus includes identifying factors such work typology, organizational culture, privacy & technology requirements, along with nuances specific to workflow and future planning.

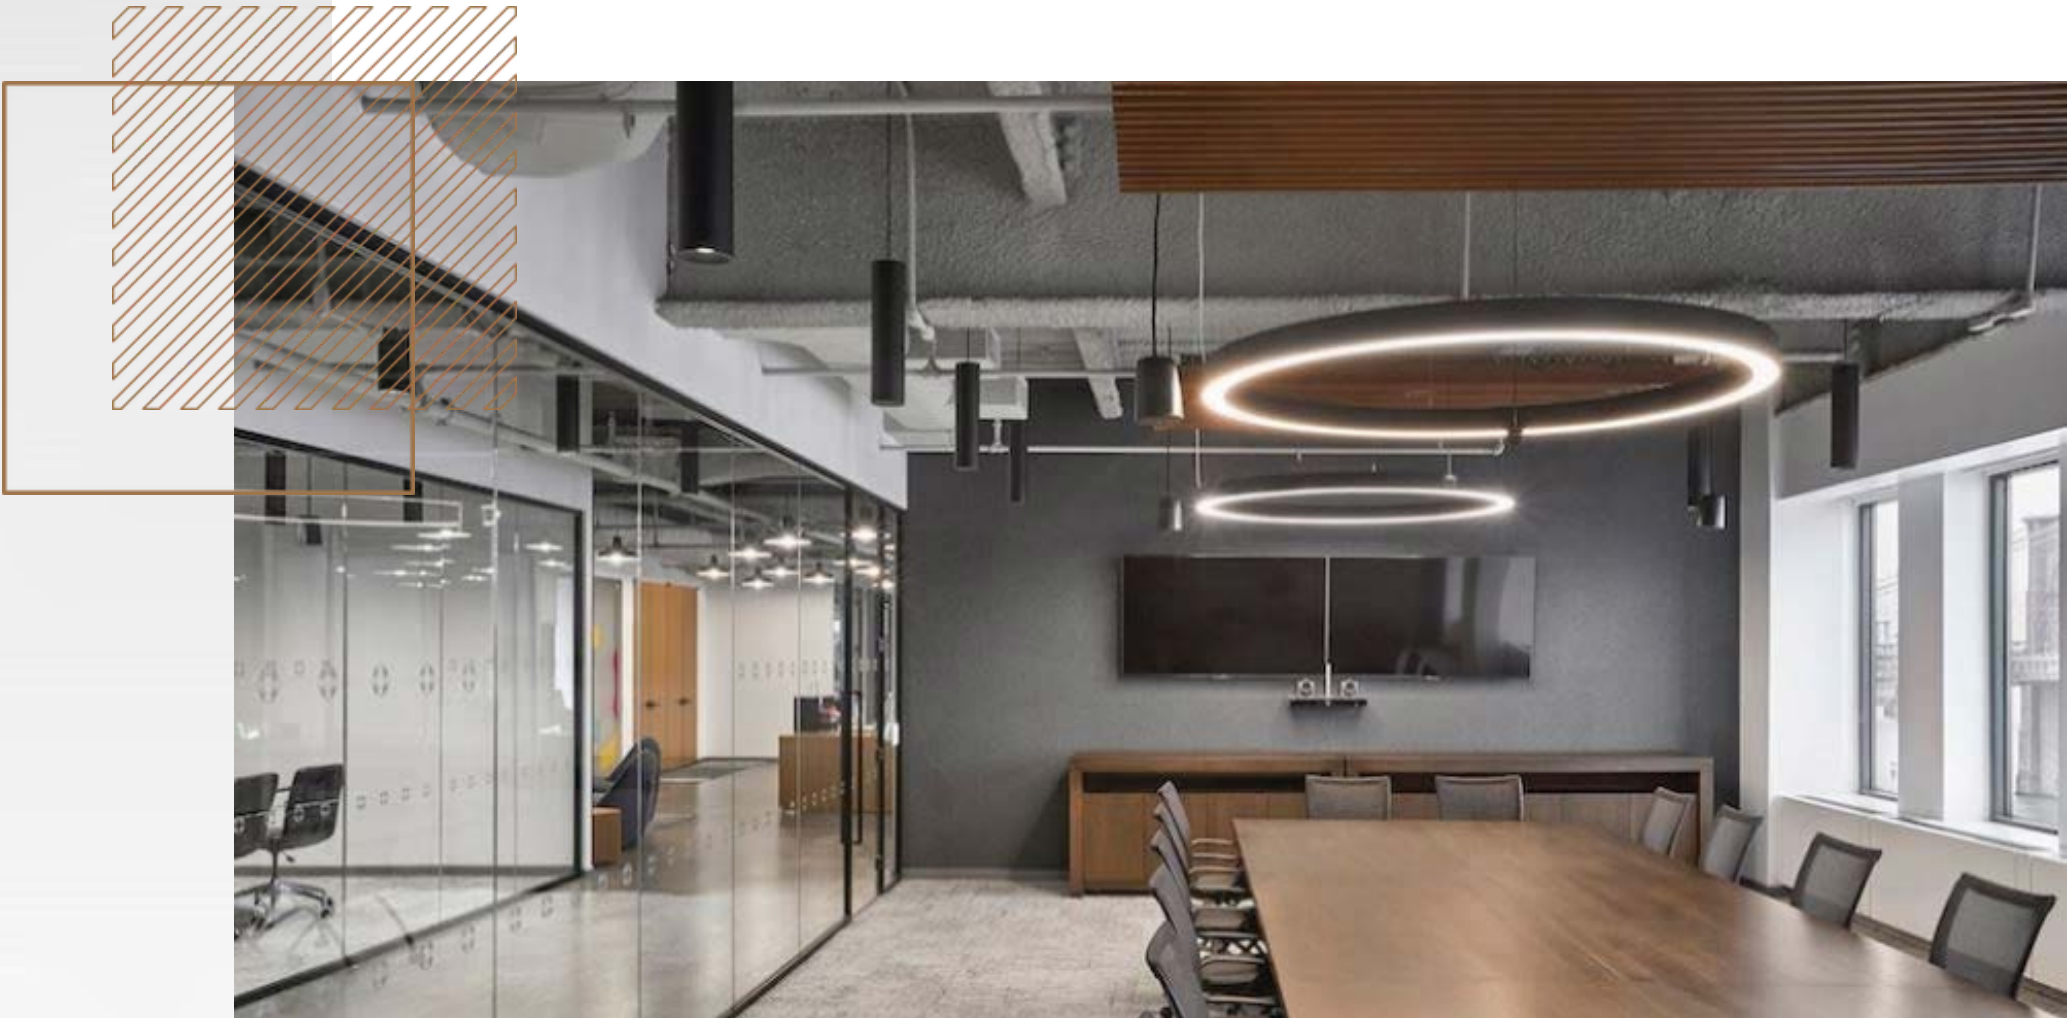

With our deep understanding of how to create sophisticated, adaptable, and relevant offices paired with our approach to maximizing the investment, we are well-versed in handling complex spatial needs.

DISCOUNT NEGOTIATION

Through developing strategic partners, SOS negotiates bundled discounts, supporting procurement from high-end, luxury brands at significantly lower prices.

Combined with our knowledge of specific lines from major manufacturers, SOS develops custom furniture packages, holistically achieving our clients' goals.

PRODUCT MERCHANDISING

Our expertise in merchandising product from multiple sources is a key element to holistically achieving each specific project vision, on time + within budget.

SOS Strategically selects pieces from a wide range of manufacturers to stay within budget without sacrificing quality or aesthetics. We have identified specialty manufacturers with quality products and high design, at a fraction of the cost in comparison to many of the wide-known brands.

SOCIAL SPACES

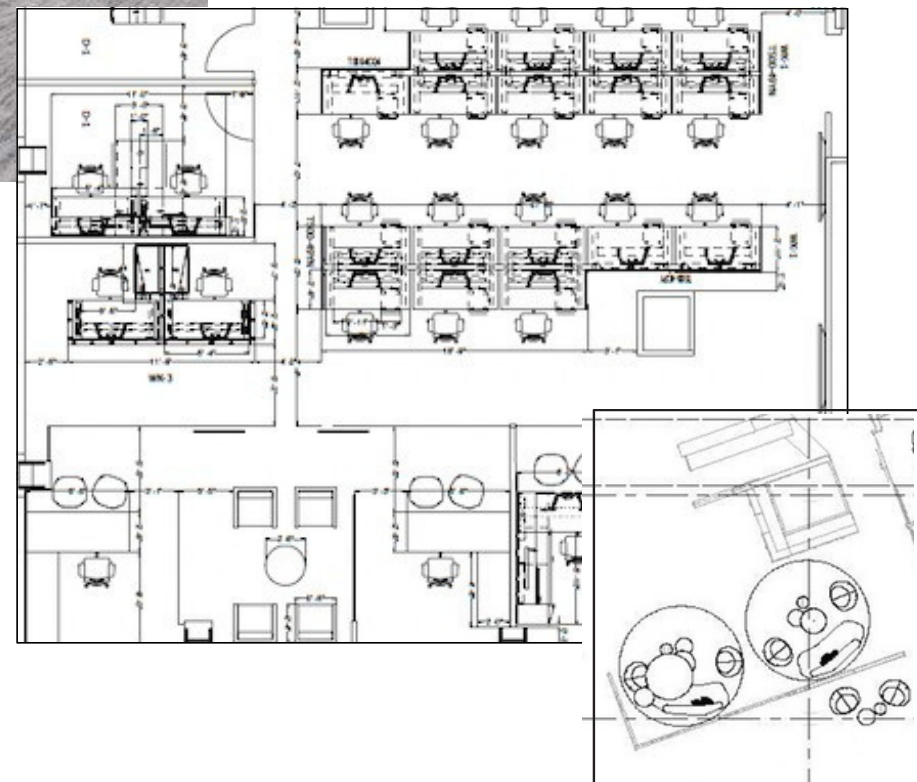

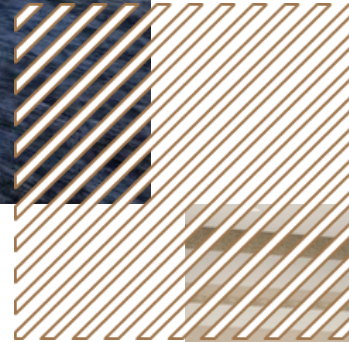

REAL ESTATE ROI

SOS provides solutions to reduce real estate costs through creating multipurpose, dynamic environments.

Our approach optimizes space performance with design-driven, highly functional furniture. This offers the opportunity for organizations to benefit from a variety of atmospheres while increasing their return on investment.

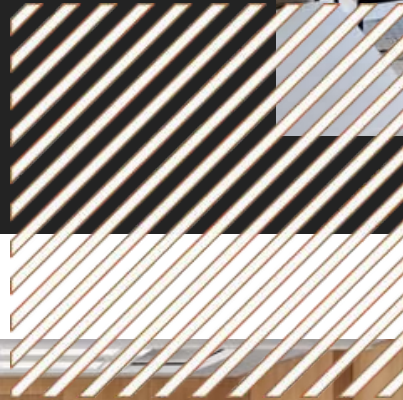

CONFERENCE & BOARDROOMS

OPTIMAL PERFORMANCE

Our approach to meeting, conference, and social space is rooted deeply in the combination of our workplace and amenity experience. Conference space requires an in-depth understanding of acoustics, technology, and ease of use.

We approach optimizing space performance with design-driven, experience-focused, function-focused solutions.
